

# IVN Quick-Start Guide

## Conference Mode (IVN/Online)

**a B ea c í C a c a d** If you're dialing into a room, tap the **D** tab to search for contacts. You can also use the **R** tab for regular connections. **P e a e g e e D a b a . c e c P ea e ed H g b a e d e c .**

All Gulf Park IVN rooms will be abbreviated as "GP-"

Cedar Point will be "CP-"

"GCRL-" is the appropriate abbreviation for Ocean Springs

"HAT-" is for Hattiesburg

**a a 6 e T e a: f -a ad ec** The camera panning in the cardinal directions. **ouZ/ntrolsZ** Show how close or far away the camera can close in on a subject. **al a endac e a d e ac** You can toggle between the two room cameras, but only one can be visible at a time to members of the IVN call.

**8** allows you to see where your camera positioning is. Tap to enable, tap again to disable. **a C ac e c** from this screen.

**S R e d g/ ece** Because the other member of the IVN call will always appear on your side and rear displays, **a c e d c e e ec**
