33	McCain Library is filthy and disgusting. The bathrooms have 1/4 inch thick layers of fuzzy dust buildup and the "cleaning" products cause allergic reactions. Several students have had to take allergy medication after developing hives from touching surfaces. Edith will sit outside or on the second floor after 7:30am and not do anything. Then she gets angry and shouts at people when they have to clean up after her. She is not a pleasant person to have in the building.	5/4/2015 1:17 PM
